March 10th at 10am

This is an online session run on ZOOM

EXPLORE MR PARK'S CHEMIST SHOP

As part of our National Lottery project, Park Pharmacy Trust is running a series of online Zoom sessions which explore items from our pharmaceutical past that are in its museum collection at Thorn Park Lodge. This is a great opportunity to meet people online and have a chance to share memories as you feel the past come flooding back.

If you still feel too computer shy, then please give us a telephone number so that we can arrange a time to talk.

These online sessions will be between 30-45 mins long where you can join other like minded people and socialise online.

**BOOK YOUR PLACE BY SENDING AN EMAIL TO:
ENQUIRIES@PARKPHARMACYTRUST.ORG.UK
OR TELEPHONE JAN KNIGHT ON 07764232946**

In your email please tell us if you will need help to connect on Zoom with a computer, iPad / tablet or phone. Don't forget to include a telephone number.

This project has been developed by Park Pharmacy Trust in partnership with the National Lottery Community Fund. Come and have fun at one or more of our sessions. We look forward to meeting you.

Please circulate this information to anyone you know. We hope in the spring to be able to entertain you at Thorn Park Lodge and medicinal garden.
